Innovating Futures with Digital Technology: Rehabilitation and Healthy Ageing with Complex Chronic Conditions
Symposium - Friday October 3, 2025; 9:00am-5:00pm
University of Manchester, Manchester, UK (In-Person)–Pankhurst Building
Link to register (Free to Attend) – Click here to register

PROGRAM at a GLANCE

Time	Topic
Aim: To advance knowledge transfer and exchange, foster collaborations and partnerships, and drive innovation around ageing, technology, and rehabilitation for persons with complex chronic conditions.	
830-900am	**Arrival and Registration**
900-930am	**Welcome and Introductions** **Overview of Symposium**
930-1015am	**Keynote Speaker** **Dr. Dawn Skelton,** *Professor in Ageing and Health, Glasgow Caledonian University, UK* **Falls Prevention Exercise technology: Does it Facilitate or Drive Fidelity and Dose?**
1015-1030	**BREAK & Poster Viewing**
1030-1200pm	**Research Evidence Session #1 – Co-Production, Implementation and Evaluation of Digital Health Technology and Ageing**
1200-100pm	**Lunch & Poster Viewing**
100-200pm	**Panel Session – Bridging the gap between evidence and practice / Emerging opportunities** The aim of this panel is to discuss ways in which to integrate evidence into clinical practice, programs and policy, lessons learned, and recommendations for future implementation of digital health technology implementation in health and aging.
200-215	**BREAK & Poster Viewing**
215-345pm	**Research Evidence Panel Session #2 Digital Equity in Ageing and Rehabilitation**
345-400pm	**Break**
4:00-430pm	**IDENTIFYING EMERGING ISSUES, PRIORITY AREAS & NEXT STEPS FOR FUTURE RESEARCH in technology, ageing and rehabilitation in complex chronic conditions.**
4:30-5:00	**Wrap Up, Evaluation**
